

Quiet please!

As some of you will be aware, you will now be tested on The High Barnets.

Saunders! Leave her alone, she's not a toy.

I expect absolute silence. If you are desperate for a wee or a poo you may be excused for 5 minutes only.

O'Hare senior, stand up when I am addressing class. Oh, you are.

There are 10 multiple choice questions opposite, answers at the bottom of the page.

Tempest! Tempest! Is that a cigarette in your hand?

You have 10 minutes to complete the test.

Anyone seen O'Hare junior? In the pub again I suppose.

Kenny. KENNY! Are you chewing, boy?

You may turn your papers now and good luck

Miss Boil de Spudswell, please accompany me to the stationery cupboard. I have a length of foolscap for you to mark.

HIGH BARNETS HIGH

SECONDARY MODERN FOR DISRUPTIVE INFLUENCES

- 1 Should a major disaster strike Kenny's house, for example a potato famine, which prize possession would he rescue first?
[a] His guitar [b] His elasticated trousers [c] His Morrissey poster
- 2 Toni is famously known for his love of other people's houses. Who's house would he most like to live in?
[a] Elton John's [b] Terry Nutkins' [c] Big Brother's
- 3 When Mark becomes a Top Gun pilot, what would he like his call sign to be?
[a] Bucky [b] Moose [c] Port, Brandy and Coke (To line the throat)?
- 4 Stormy loves his fags. Which brand does he consider the creme de la creme of tobacco based product?
[a] St Bernard [b] Condor [c] Ducados
- 5 Which of the following occupations has Arron NEVER been gainfully employed as?
[a] Peter Beardsley's stunt double [b] Ballpoint pen filler [c] Dentist

[a] White [b] Red [c] Pale blue
- 7 Which keyboarderist player (dead or alive) would Toni most like to meet?
[a] Bobby Crush [b] Mozart [c] Les Dawson
- 8 Mark has travelled the world many times. What is foulest tasting dish he has eaten on his expeditions?
[a] Hedgehog pate with conkers [b] Curried gravel [c] A Thai
- 9 Stormy works nights. What is the strangest thing he has seen at night?
[a] An airplane with it's lights on [b] A vampire [c] The moon
- 10 If you added up the number of bum notes Arron plays at a gig, which song's length would they come to?
[a] Green Onions [b] Suspicious Minds [c] Sympathy for the Devil

How did you do?

Mostly [a]: What are you doing on this website. You've never even heard of The High Barnets! Don't you have work to do? I'm notifying your boss. Slacker.

Mostly [b]: Your knowledge of The High Barnets is borderline pathetic. Must be a student. Stop watching cartoons all day and stop smoking dope.

Mostly [c]: CONGRATULATIONS! Your knowledge is second to none. You may have even been to one of their gigs. Here, you're not a stalker are you?
